## **Warranty on CTC Controls**

### **Warranty periods are as follows:**

#### **CTC Control Equipment**

<u>Product</u>	<u>Warranty</u>
Programmers	3 Years
Room Thermostats	3 Years
Cylinder Thermostats	3 Years
Motorised Valves (Valves + Actuators)	3 Years

*Note: Warranty periods commence from date of manufacture of a product.*

*Both warranty are based on the assumption that the following conditions are adhered to.*

- 1. Suitability of use i.e. the product is used for the purpose it was intended.*
- 2. Proper regular maintenance of the heating system and its constituent parts.*
- 3. Suitability of installation location. i.e. avoidance of damp or dirty areas.*
- 4. Reasonable air flow around the product. E.g. products must not be covered by items of clothing or domestic laundry.*

#### **Distributors for:**

5. *Normal use by the end user.*
6. *Installation in accordance with the manufacturer's instructions and only by qualified persons.*
7. *Avoidance of neglect and abuse of the product.*
8. *No tampering with or dismantling of the product.*

*Failure to comply with the above conditions is likely to lead to premature product failure or shortened life expectancy and invalidate the warranty.*
